

2012

Peter Smith - a true stalwart of CAODS with an extremely long time membership.

His hard work in so many ways were evident in so many shows, both his acting prowess and his talent in adding to the appearance of the staging making so many props and costumes - his sister, Nona, helping so much in this regard.

Peter's appearances on stage were always immaculate not only in performance but the little extras he added to costume. He was a joy to act with being so reliable and helpful always.

Personally I shall miss our little chats and his support and help in the entertainment of our guests to shows in recent years.
