Dear *Mrs Plumtree*

Many thanks for inviting me to the Civic Theatre to watch a performance of 'Annie Get your Gun'

What an excellent presentation – by such a professional team - and there was a lovely warm glow circulating throughout the theatre.

The Mayoress and I, and the audience were most impressed by this wonderful performance and you must be very proud of what you have achieved.

I look forward to meeting you again in the future.

Yours

*sincerely*

*Bob Shepherd*
