Please note:

We are very much looking forward to getting started on our exciting production of 'Top Hat'. This Call Sheet covers the first month of rehearsals. The schedule will be updated once auditions have taken place and holidays been considered. However, there are some rehearsals already listed where Ensemble are not required to attend. We will keep you updated regularly on the schedule.

If you are absent from a setting rehearsal, please provide a stand-in and please ensure that you have gone through your notes with them prior to the next rehearsal.

Please ensure you wear appropriate rehearsal dress. Finally, have fun! Thank you in advance.
